District	Shire of Williams
Nominating for	Councillor for Shire of Williams
Election type	Ordinary

I was born in Southern Cross 56 years ago, completed my secondary education at Aquinas College and went on to complete a Bachelor of Science and Master of Science in Agriculture.

I am married to Rachel and two of my children work with me on the family farm. My grandchildren have started education locally in Williams.

I am very passionate about farming in the Williams area and, as a current sitting councillor, want to continue representation on the council for the rural sector, along with the hugely important areas of education, sport and health.

Williams is a vibrant and progressive community that I am proud to represent. I am supportive of the redevelopment of the recreational area. I am very keen on attracting small businesses into the shire which then has flow on effects such as employment and increases in the population.

I have completed a single term on council and sat on the Works and Road Infrastructure Committee and the Audit Committee, and seek re election for another term.
