To whom it may concern:

**RE: Proposed telecommunications facility
238 Roccis Road, Meeking (Lot 3972 DP 147866)**

I advise **SAQ Consulting Pty Ltd** acts on behalf of Optus Mobile Pty Ltd ('Optus') in respect of this application.

The proposal by Optus is to establish a telecommunications facility, in the form of a mobile telephone base station, on land at 238 Roccis Road, Meeking. The subject land is located within the *Rural Zone* pursuant to the Shire of Williams Town Planning Scheme No. 2.

The proposed facility, which consists of a 50-metre tall lattice tower, antennas, ground-mounted equipment cabinets and fencing, forms part of a Government-funded 'blackspot' programme, which aims to bring new and improved telecommunications into the Meeking area.

Please find **attached** the proposal drawings, a copy of the Certificate of Title and the application form (including owner's consent).

I would appreciate if Council could advise me of the lodgement fee needing to be to paid. I will then provide a planning statement to assist in the determination of the application and a 'standard form' EME report detailing the predicted electromagnetic emissions from the facility.

Should you have any immediate questions, please do not hesitate to contact me.

Yours sincerely
