I am currently the Vice President of the Shire of Williams. It takes time to understand the way Local Government works, and the Williams Shire is entering a period of significant transition as we reduce the number of Councilors, welcome a new Chief Executive Officer and explore potential new development. In my role on council, I chair a committee looking to improve the recreation facilities in town, prioritizing the inclusion of female change rooms and a community gym. I also chair a committee with representatives from neighboring shires looking to identify projects and potential funding sources that will benefit our region. With representatives from the Community Resource Centre, I am working to improve the services available to assist senior residents to stay living locally. I am proud to be involved in many groups within our great community, and with your support I would like to continue as a Councilor, striving to find ways to make the Williams community even stronger.
