

WILLIAMS BRIDGES UPDATE – 9th January 2019

MRWA have provided the following weekly update for the week commencing 14th January 2019:

- ✓ Contractors will be commencing roadworks activities in addition to the ongoing construction at Bridge 25.
- ✓ Drainage will be installed south of Bridge 25. This will involve lane closures and traffic management throughout the week.
- ✓ Residents and visitors are reminded to keep away from construction areas and follow the directions of all Traffic Management at all times. Be safe, be aware.
- ✓ It is business as usual with all highway based businesses continuing to trade throughout the construction period.

Regular updates will be provided via Facebook and local print media.
