7. ANNOUNCEMENTS BY PRESIDING MEMBER WITHOUT DISCUSSION

Residential Sub-division approval for Lot 24 Piesse St, Williams has been granted by the Western Australian Planning Commission, with a number of conditions. The decision is valid for four years from the date of approval.

Another residential Sub-division approval for Lot 9001 Hynes Court, Williams has been granted by the Western Australian Planning Commission, with a number of conditions. This Shire led development will create 18 new residential Lots zoned R12.5 and is supported by an Australian Government grant to provide serviced Lots.

Williams represented WA in the National Tidy Towns Awards held in Launceston on the 15-17 May 2026, as a result of Williams being the State of WA Tidy Town for 2025. I thank all community members who have contributed to that achievement. Special thanks to staff at the Community Resource Centre for their leadership on the Award.

Background

Council has delegated to the Chief Executive Officer, the exercise of its power to make payments from the Shire’s municipal or trust account. In exercising their authority, and in accordance with the Local Government (Financial Management) Regulation, it is a requirement to produce a list of payments made from Councils Municipal Fund and Trust Fund bank accounts to be presented to Council in the following month.

Statutory Implications

Regulation 13 of the *Local Government (Financial Management) Regulations 1995* states:

13. Payments from municipal fund or trust fund by CEO, CEO’s duties as to etc.

(1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared —

- (a) the payee’s name; and*
- (b) the amount of the payment; and*
- (c) the date of the payment; and*
- (d) sufficient information to identify the transaction.*

Comment

The list of accounts for payment is an attachment included in this agenda.

Strategic Implications

This item aligns with the community’s vision and aspirations as contained in the Shire of Williams Strategic Community Plan 2022 to 2032. Specifically, it relates to the following strategy(s):

ILG 2.2 Maintain accountability, transparency and financial responsibility.

Financial Implications

As listed in the recommendation below.

OFFICERS RECOMMENDATION

That Municipal Fund EFT, Bpay, Direct Debits and Cheques totalling \$444,358.33, approved by the Chief Executive Officer during the month of April 2026, be endorsed.

SHIRE OF WILLIAMS
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 30 APRIL 2026

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 14 May 2026

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

MATERIAL ACCOUNTING POLICES

Material accounting policies utilised in the preparation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Impairment losses of non-financial assets
- Expected credit losses on financial assets
- Measurement of employee benefits

8.2 CHIEF EXECUTIVE OFFICER'S REPORT

8.2.1 PROPOSED BUDGET AMENDMENT - MARRADONG ROAD

File Reference	Various
Statutory Reference	Various
Author	Peter Stubbs, Chief Executive Officer
Date	6 May 2026
Voting Requirements	Absolute Majority
Disclosure of Interest	Cr Simon Harding - Proximity Interest
Attachments	Nil

Background

Marradong Road (11.4km) is scheduled for a progressive reconstruction over 5.5km of its length in the Regional Road Group (RRG) forward three-year program.

Marradong Road is an increasingly important east - west connector road, especially on occasions when the Albany Highway is closed and traffic must be diverted.

This Program is 2/3 funded by the RRG and 1/3 by the Local Government recipient.

Council allocated \$60,000 of its funding in 2025/26 to progress the road survey pick and design modelling to support a case for increase funding to reconstruct the full length of this road.

The Road & Plant Committee met on Friday 8 May 2026 to receive a briefing from Zone 50, contracted by the Shire, to complete the survey pick and design modelling.

An upgrade of Marradong Road would likely add weight to also upgrade the Boddington Shire portion of that road which is still gravel.

To refine the design and enable greater cost confidence it is necessary to do geotechnical testing on the road substrate, an important step in verifying road material required and what road conditioning may be needed (stabilisation etc). Geotechnical testing has been quoted at \$20,230 (+gst). It is not part of the current funding scope of works in Council's budget.

The contractor has confirmed the works could be done by the 30 June 2026.

Comment

It is recommended to Council that it make a 2025/26 budget amendment to support the geotechnical work for Marradong Road as the sooner this can be done, the sooner the Shire can clarify with higher confidence the potential cost of the road construction and inform the Regional Road Group.

The Shire is currently completing the Quindanning-Darkan Road reconstruction program, and it will then move onto the Cemetery Road, Medlen and Zilko Road budgeted works. Given only 6 weeks remain in the 2025/26 year, it is not likely the Shire will get the budgeted Bates Road gravel re-sheeting (\$33,300) in the budget.

Furthermore, the survey and design modelling will come in \$7,000 over the budget allocation.

It is recommended that Council approve the following budget reallocation from Bates Road re-sheeting to the following,

1. \$21,000 to fund the required geotechnical works for Marradong Road;
2. \$7,000 to cover survey and design modelling costs for Marradong Road that exceed the allocated budget; and
3. \$5,300 to be allocated to the Medlen Road re-sheeting program.

Strategic Implications

This item aligns with the community's vision and aspirations documented in the Shire of Williams Strategic Community Plan 2022 to 2032. Specifically, it relates to the following strategy(s):

- SC 1.2 Maintain a safe and secure environment for the community.
E1. Develop infrastructure and investment that is sustainable and an ongoing legacy to the Shire.

It is strategically important to optimise the funding for the Marradong Road so that the job undertaken there is at the desired standard.

Financial Implications

As per recommendation. No net impact on the 2025/26 budget. A reallocation for strategic purpose (RRG) recognising work schedule for the remainder of the 2025/26 budget year.

OFFICERS RECOMMENDATION

That Council approve the reallocation of \$33,300 from the 2025/26 Bates Road re-sheeting budget as follows:

1. \$21,000 to fund the required geotechnical works for Marradong Road;
2. \$7,000 to cover survey and design modelling costs for Marradong Road that exceed the allocated budget; and
3. \$5,300 to be allocated to the Medlen Road re-sheeting program.

8.2.2 REDUCED SPEED LIMIT PROPOSAL – SOUTH-EAST ALBANY HIGHWAY, WILLIAMS

File Reference	10.60.15
Statutory Reference	Various
Author	Peter Stubbs, Chief Executive Officer
Date	6 May 2026
Voting Requirements	Simple Majority
Disclosure of Interest	Cr Jarrad Logie - Proximity interest
Attachments	Nil

Background

Saracen Properties, of Lot 889 Albany highway, Williams has requested Shire support for the proposed Albany Highway speed limit changes, to support progress for its proposed roadhouse. The development currently holds a 12-month planning approval.

Attached is the relocation proposal from Saracen Properties, locations are indicative and are subject to change.

Approval from Main Roads WA will be required for any proposed speed limit amendments and associated signage. Saracen Properties is seeking Council support prior to formally approaching Main Roads WA regarding the proposal.

Comment

Saracen believe the proposed speed limit changes support its effort to advance the proposed roadhouse of Lot 889 Albany Highway by making it safer for turning vehicles to and from the highway and reducing projects costs.

Image 1 – Proposed Speed Limit Changes

The proposed roadhouse was first proposed in 2019, and there have been several commercial reasons for its delay.

Potential road works associated with the design and construction of the proposed intersection for the roadhouse withy Albany Highway could have a significant cost impact for the project.

Speed reductions may reduce complexity and cost for the design and construction of the proposed roadhouse.

Strategic Implications

This item aligns with the community's vision and aspirations documented in the Shire of Williams Strategic Community Plan 2022 to 2032. Specifically, it relates to the following strategy(s):

- SC 1.2 Maintain a safe and secure environment for the community.
- E1. Develop infrastructure and investment that is sustainable and an ongoing legacy to the Shire.

Financial Implications

Nil

OFFICERS RECOMMENDATION

That Council support the proposal from Saracen Properties for the relocation of speed signs along Albany Highway, south of Willams, to change the current reduced speed zone from 80km/hour to 50km/hour, in order to improve road user safety and reduce complexity and cost of the new roadhouse design and construction proposed by Saracen Properties.

8.2.3 USE OF COMMON SEAL AND DECISIONS UNDER DELEGATED AUTHORITY

File Reference	Various
Statutory Reference	Local Government Act 1996
Author	Peter Stubbs, Chief Executive Officer
Date	14 May 2026
Voting Requirements	Simple Majority
Disclosure of Interest	Nil
Attachments	Nil

Background

The purpose of this Agenda Item is to report to Council for endorsement, the use of the Common Seal and actions performed under delegated authority requiring referral to Council.

The *Local Government Act 1995* requires that the Delegations Register is reviewed annually by Council. A procedure included in the Delegations Register is to report to Council the activities or actions that have been performed under delegated authority. A report completed for Council at meetings identifies: (1) use of the Common Seal, and (2) actions performed under the delegated authority requiring referral to Council as per the Delegations Register.

Comment

The Common Seal was not used since the last Ordinary Council meeting on 10 April 2026. Decisions by the CEO using delegated authority are provided in the table below;

Decision Type		Property	Date of Decision	Purpose
1	Approval to Construct or Install Effluent Disposal System	157 Narrogin Road, Williams	22 April 2026	Installation of septic system of onsite water management, to support a single dwelling construction.
2	Development Approval - single story residential houses	1 Cornwall Terrace, Williams	5 May 2026	Planning Approval for a 3 x 2 house deemed to comply with planning provisions. R Codes
3	Development Approval - single story residential houses	3 Cornwall Terrace, Williams	5 May 2026	Planning Approval for a 2 x 2 house deemed to comply with planning provisions. R Codes
4	Building Permit	50 Lavender St, Williams	7 May 2026	Non habitable shed and veranda
5	Development Approval - single story residential house	Lot 72 (25) Hynes Court, Williams	12 May 2026	Planning Approval for a 4 x 2 house (deemed to comply) with planning provisions, R Codes.

Payment from the Municipal or Trust Funds – Delegation 1.1.19 Authority to make payments from the municipal or trust funds with the authority limited to making payments subject to annual budget limitations.

Action - Payments from the Municipal Fund and Trust Fund are as per the payments listing attached to this Agenda.

Strategic Implications

This item aligns with the community's vision and aspirations as contained in the Shire of Williams Strategic Community Plan 2022 to 2032. Specifically, it relates to the following strategy(s):

- ILG 2.2 Maintain accountability, transparency and financial responsibility.
- ILG 4.4 Monitor and ensure compliance with regulatory framework for local government business.

Financial Implications

The standard building approval Council fees were applied to the above decisions.

OFFICER'S RECOMMENDATION

That Council accept the report "Use of Common Seal and Actions Performed under Delegated Authority" for the period 10 April 2026 to the 14 May 2026.
