7. ANNOUNCEMENTS BY PRESIDING MEMBER WITHOUT DISCUSSION

I take this opportunity to advise the community that our Shire is progressing on tender documentation for design and construction of the proposed new multipurpose indoor court facility for which the Shire has \$1.6m of Australian Government - Play Our Way funding for. The aim is to have the tender released to the market around the end of August 2025.

I thank Councillor Major for attending the meeting last week of the Hotham-Williams Voluntary Regional Organisation of Councils (Shires of Boddington, Wandering, Cuballing and Williams) where promotion of the Marradong region to grow tourism remains a focus with new website and social media presence under development for that purpose.

Inspections of food premises, required under the Food Act, have been undertaken on several businesses in Williams recently. In the interest of public

health, notices have been issued for several noncompliance matters, and fines issued. This is a timely reminder to all businesses providing food to the public of the need for proper standards.

I am pleased to advise that Planning Conditions required for the commencement of construction of the proposed new Tourism and Caravan Park at Quindanning have been met, and that construction is expected to commence in the near future. This will be a very significant project for our region.

I congratulate the dedicated staff who make our Williams Willi Wag Tails Childcare Service the great service it is for our community. This month the childcare celebrated its 13th birthday.

Hi Peter, Tony & Shire Councillors,

Thank you for the opportunity to undertake a portion of the Shire's winter maintenance grading program.

As previously discussed with you Peter, please note some road lengths differ on our summary of works completed, compared to that listed on gravel road summary as a part of the Shire minutes online. These were measured with both vehicle odometer and the GPS-SLK app where possible.

If you have any queries or feedback relating to the work carried out please feel free to contact Brenton on 042 738 8866.

Regards,
Brenton & Rhonda Willcocks

Background

Council has delegated, to the Chief Executive Officer, the exercise of its power to make payments from the Shire's municipal or trust account. In exercising their authority, and in accordance with the Local Government (Financial Management) Regulation, it is a requirement to produce a list of payments made from Councils Municipal Fund and Trust Fund bank accounts to be presented to Council in the following month.

Statutory Implications

Regulation 13 of the *Local Government (Financial Management) Regulations 1995* states:

- 13. Payments from municipal fund or trust fund by CEO, CEO's duties as to etc.**
- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared —
- (a) the payee's name; and
 - (b) the amount of the payment; and
 - (c) the date of the payment; and
 - (d) sufficient information to identify the transaction.

Comment

The list of accounts for payment is an attachment included in this agenda.

Strategic Implications

This item aligns with the community's vision and aspirations as contained in the Shire of Williams Strategic Community Plan 2022 to 2032. Specifically, it relates to the following strategy(s):

Background

In accordance with the *Local Government Act 1995*, a statement of financial activity must be presented at an Ordinary Meeting of Council. This is required to be presented within two months, after the end of the month, to which the statement relates.

The statement of financial activity is to report on the revenue and expenditure as set out in the annual budget for the month, including explanations of any variances. *Regulation 34*, from the *Local Government (Financial Management) Regulations 1996* sets out the detail that is required to be included in the reports.

Statutory Implications

Local Government (Financial Management) Regulations 1996 – Regulation 34.

Comment

The attached monthly financial statements and supporting information have been compiled to meet compliance with the *Local Government Act 1995* and associated Regulations.

Strategic Implications

This item aligns with the community's vision and aspirations as contained in the Shire of Williams Strategic Community Plan 2022 to 2032. Specifically, it relates to the following strategy(s):

ILG 2.2 Maintain accountability, transparency and financial responsibility.

Financial Implications

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 06 August 2025

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

MATERIAL ACCOUNTING POLICES

Material accounting policies utilised in the preparation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Impairment losses of non-financial assets
- Expected credit losses on financial assets
- Measurement of employee benefits

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the local governments' operational cycle.

8.2 CHIEF EXECUTIVE OFFICER'S REPORT

8.2.1 DEVELOPMENT APPLICATION – SINGLE HOUSE SHED AND WATER TANK LOT 800 LAVENDER ROAD (FORMERLY LOTS 60 & 62)

File Reference	10.60.15
Statutory Reference	Planning and Development (Local Planning Schemes) Amendment (Single House Development) Regulations 2024 Williams Town Planning Scheme No 2
Author	Peter Stubbs, Chief Executive Officer
Date	14 August 2025
Disclosure of Interest	Nil
Attachments	Nil

Background

This matter is presented to Council for noting, and to promote understanding that the *Planning and Development (Local Planning Schemes) Amendment (Single House Development) Regulations 2024* enacted in 2024 requires that single house developments within the meaning of the Regulations must now be assessed and approved by Local Government CEO and or authorised staff.

The CEO will consult with contracted planners to complete assessment of this planning application for a single house, shed and water tank on Lot 800 Lavender Road.

Detailed site plan floor plans and elevations are attached this report.

Legislation

Planning and Development (Local Planning Schemes) Amendment (Single House Development) Regulations 2024

Division 2A — Performance of development approval functions in relation to single houses

84A. Terms used

In this Division — authorised employee means an employee of the local government authorised by the local government CEO under clause 84D; prescribed development approval function means any of the following —

- (a) a function of the local government under clause 61A(2) or (4) or Part 8 or 9;*
- (b) a function of approving further details of any works or use under a condition of a kind referred to in clause 74(1) imposed on a development approval;*
- (c) a function of the local government under this Scheme that is ancillary or incidental to a function referred to in paragraph (a) or (b); prescribed single house development has the meaning given in clause 84B.*

84B. Prescribed single house development

(1) In this Division, prescribed single house development means development that consists of —

- (a) the erection of, or alterations or additions to, a single house; or*
- (b) the erection or installation of, or alterations or additions to, any of the following that is ancillary or incidental to a single house —*
 - (i) an ancillary dwelling;*
 - (ii) an outbuilding;*
 - (iii) an external fixture;*
 - (iv) a boundary wall or fence;*
 - (v) a patio;*
 - (vi) a pergola;*
 - (vii) a verandah;*
 - (viii) a deck;*
 - (ix) a garage;*
 - (x) a carport.*

(2) Despite subclause (1), development in a heritage-protected place is not prescribed single house development.

84C. Performance of prescribed development approval functions in relation to prescribed single house development

(1) When a prescribed development approval function is performed in relation to prescribed single house development, the function must be performed for and on behalf of the local government by —

- (a) the local government CEO; or*
- (b) an authorised employee.*

(2) A prescribed development approval function cannot be performed by the local government in relation to prescribed single house development otherwise than in accordance with subclause (1) (for example, the function cannot be performed by the council of the local government or a committee of that council).

Rural Residential Zone Controls -Shire of Williams TPS 2 Page No. 17

Development in a Rural Residential zone shall comply with the requirements of the following:

(a) In addition to a building licence, the Council's prior development approval is required for all development including a single house and such application shall be made in writing to the Council and be subject to the provisions of part 2 of the Scheme.

(b) Not more than one dwelling per lot shall be erected.

(c) In order to conserve the rural environment or features of natural beauty all trees shall be retained unless their removal is authorized by the Council.

(d) In order to enhance the rural amenity of the land in areas Council considers deficient in tree cover it may require as a condition of any planning approval the planting of such trees and/or groups of trees and species as specified by the Council.

(e) Any person who keeps an animal or animals or who uses any land for the exercise or training of an animal or animals shall be responsible for appropriate measures to prevent dust pollution and soil erosion to the satisfaction of the Council. Where in the opinion of the Council the continued presence of animals is likely to contribute or is contributing to dust or odour pollution or soil erosion, notice may be served on the owner of the land requiring the removal within the period specified in the notice of those animals specified in the notice for a period specified in the notice.

(f) In considering an application for development approval for a proposed development (including additions and alterations to existing development) Council shall have regard to the following:

- (i) the colour and texture of external building materials;
- (ii) building size, height, bulk, roof pitch;
- (iii) setback and location of the building on its lot;
- (iv) architectural style and design details of the building;
- (v) relationship to surrounding development; and
- (vi) other characteristics considered by the Council to be relevant.

Comment

The proposed house is Colourbond framed and clad steel barn style dwelling, and shed.

The owners of the property proposed to relocate from Perth and to retire in Williams to the property.

8.2.3 USE OF COMMON SEAL AND DECISIONS UNDER DELEGATED AUTHORITY

File Reference	Various
Statutory Reference	Local Government Act 1996
Author	Peter Stubbs, Chief Executive Officer
Date	14 August 2025
Disclosure of Interest	Nil
Attachments	Nil

Background

The purpose of this Agenda Item is to report to Council for endorsement, the use of the Common Seal and actions performed under delegated authority requiring referral to Council.

The *Local Government Act 1995* requires that the Delegations Register is reviewed annually by Council. A procedure included in the Delegations Register is to report to Council the activities or actions that have been performed under delegated authority. A report completed for Council at meetings identifies: (1) use of the Common Seal, and (2) actions performed under the delegated authority requiring referral to Council as per the Delegations Register.

Comment

The Common Seal was not used since the last Council meeting on 23 July 2025.

Decisions by the CEO using delegated authority are provided in the table below;
